CVC Overview

Chicago Violin Competition (CVC) is an international violin competition held online every two years. The competition provides a platform for promising young talent and experienced violinists to exhibit their artistry on the world's stage, come together, grow, and learn.

CVC is produced and organized by American Music Institute. The competition has two divisions, Young Artist - 7-17yrs old, and Senior Artist - 18-28yrs old.

Chicago Violin Competition has been featured on The Strad & The Violin Channel, among others!

THE VIOLIN CHANNEL

the Strad

CVC History

Since 2010, CVC has become a staple violin competition across the globe

Chicago Violin Competition has provided a platform for many top young performers throughout the United States to improve their performance abilities and launch promising careers. CVC has expanded its mission globally in 2021, creating a great opportunity for the words top talented violinist to grow and gain recognition in the music industry.

CVC Impact

01

Enhancing landscape in the international violin competition world

CVC has set a new standard in the musical community as an excellent opportunity for both talented young violinists and seasoned performers to deepen their abilities.

02

Expanding access, opportunities for violinists to perform & compete virtually

With a unique virtual way of participating, CVC lowers competition barriers (travel, costs) and gives violinists around the world a chance to share their talents & art on the world's stage.

03

Increasing visibility, awareness for professional & aspiring violinists

CVC offers opportunities for young and professional violinists to come together, grow, and learn. It helps to support & maintain a thriving, classical music community.

CVC Stats & Reach

CVC engages audiences across the U.S. and around the globe.
